

# MIDDLE SCHOOL PROGRAMS

## INTERNATIONAL BACCALAUREATE MIDDLE YEARS PROGRAMME

√ Eligibility Criteria

√ Established Boundaries

√ Small Learning Community

The District offers the IB Middle Year Programme (MYP), an internationally recognized program, for highly motivated middle school students. The IB Middle Years Programme, provides a framework of academic challenges that encourages students to embrace and understand the connections between traditional subjects and the real world, and become critical and reflective thinkers.

The programme consists of eight subject groups integrated through five areas of interaction that provide a framework for learning within and across the subjects. Students are required to study their mother tongue, a second language, humanities, sciences, mathematics, arts, physical education and technology. In the final year of the programme, students also engage in a personal project, which allows them to demonstrate the understandings and skills they have developed throughout the programme.

Although the Middle Years Programme supports students wanting to pursue an International Diploma Programme in high school, it also prepares them for other District choice programs/schools with rigorous academic curriculums.

### **Clearlake Middle School (Grades 7—8)**
